

Name: Aquil Ahmad

Designation: Lecturer

Tasks in the Department/College/Sector:

New Campus Coordination,
Computer Network Lab and Software Lab 5 Coordination,
Facility management Committee member,

Office Location: J1-N5, North Wing, Jabriah-1, Yanbu University College.

Cisco: 1930

Mobile: (+966)540012166

Email: ahmada@rcyci.edu.sa

Education:

BSc in Mathematics, Physics, Chemistry, 1987, J.C. College, Jamshedpur,
Ranchi University.

MCA in Computer Science & Application, 1991, Kamla Nehru Institute of
Technology, Sultanpur,(U.P.), AVADH University.(**3 Years Master degree**)

Specialization:

Computer Science and Application

Research Interest:

Computer Networking, Wireless Networking, Cyber Security, IoT

Publications:

- Computer programming (EEET 104/ELET104) Course: Developed Course specification, Information Sheet and Laboratory Manual using C language at YUC in 2016-17. (Dr. Ramesh, Mr. Aquil, Mr. A. Badrani and Mr. A. Ramos)
- Study Plan, Program objectives and Program outcomes for BS in Information Technology Program at YUC in 2015-16(Dr. Gasim, Dr. Shahbaz, Mr. Aquil, Mr. Ramu and Mr. Sardar)
- Network Technology (ICT 211): Developed and updated Course specification and Laboratory Manual at YIC in 2017. (Mr. Aquil)
- Study Plan, Program objectives and Program outcomes for five tracks in ICT (Computer Network Technology, Computer Systems Technology, Information System Technology, Web & Multimedia Technology and Mobile Computing Technology) Program at YIC and YUC in 2014.(Mr. Aquil, Dr. Altaf, Mr. M. Korai, Mr. A. H. Memon)

Courses Taught:

Network Technology (ICT211), Computer Programming (EEET104),
System Administration (ICT222), Data and File Structure (ICT103),
CS101(Computer Programming),
